

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF PENNSYLVANIA

IN RE: LATEX GLOVES PRODUCTS : MDL DOCKET NO. 1148
LIABILITY LITIGATION :
: ALL CASES

CASE MANAGEMENT ORDER NO. 15
SCHEDULE FOR PRODUCT IDENTIFICATION DISCOVERY
IN CERTAIN TAG ALONG ACTIONS

AND NOW this _____ of October, 1997, upon conference, it is
hereby ORDERED that in each of the latex glove product liability tag along actions
specifically identified below, the schedule for product identification discovery shall be as
follows:

Completion Date

Activity

Within 30 days after entry
of this Case Management Order**

Plaintiffs to submit to defendants
answers to defendants' revised product
identification questionnaire, unless they
have already submitted answers to
defendants' original product identification
questionnaire

Plaintiffs to submit to defendants the
executed form of authorization of release
of plaintiff's medical records.¹

Within 60 days after entry
of this Case Management Order**

Defendants to submit to plaintiffs answers
to plaintiffs' first set of product
identification interrogatories and
document requests.

** Or, within the same number of days after approval by the Court of defendants' revised product identification questionnaire, whichever last occurs.

¹ The issue, as requested for consideration by defendants, of the requirement that plaintiff provide defendants during product identification discovery with a medical diagnosis establishing the plaintiff's latex allergy is still pending before this Court.

Defendants to serve upon plaintiffs copies of documents produced in prior latex glove litigation, if any.

Within 61 to 120 days after entry of this Case Management Order**

Parties to conduct product identification depositions of third party witnesses and defendants' representatives and any product identification depositions of plaintiffs authorized by the Special Master.

The foregoing product identification discovery schedule shall apply only to the following tag along actions in this MDL:
